Off (default)

On

30 min.

The SCALA1 control panel features a power button, a Wi-Fi icon, and a 'Reset' button. Below it are three status indicators: a green light for 'Off (default)', a red light for 'On', and a red alarm clock icon. A diagram shows a faucet with a blue arrow pointing to a circular gauge with a red half, labeled '30 min.', indicating a 30-minute timer.

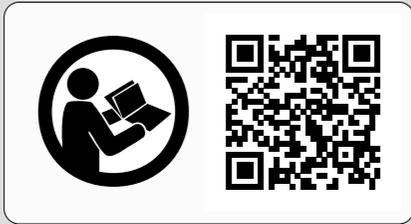

GRUNDFOS

1-Alarm D ON

0-Alarm D OFF

Reset

The image shows the GRUNDFOS SCALA1 pump unit with its control panel. A yellow label on the pump reads '1-Alarm D ON' and '0-Alarm D OFF'. An inset shows a control interface with a 'Reset' button and three red icons: a water tap with a drop, a water level icon, and an alarm clock. A QR code is displayed on the right side of the page.
